

CURRICULUM VITAE – DR. DANIEL ELIES

Training

Bachelor of Medicine and Surgery from the University of Barcelona (1987–1993)
Degree awarded by the Ministry of Education and Science in 1993

Specialist in ophthalmology, training undertaken at Príncipeps d'Espanya University Hospital – CSU Bellvitge in L'Hospitalet de Llobregat as part of the **MIR** (residency) programme (January 1995 – December 1998)

Internal Residency Doctor (MIR programme) in the specialisation of **ophthalmology** at Príncipeps d'Espanya University Hospital in L'Hospitalet de Llobregat from January 1994

Training as a **paediatric ophthalmologist** in August and September 1998 at Sant Joan de Déu Hospital in Barcelona

Additional training in **general and paediatric ophthalmology** in October and November 1998 at Germans Trias i Pujol Hospital in Badalona

Specialisation

He specialises in cataract surgery, the cornea and refractive corneal and intraocular surgery with phakic and/or pseudophakic lens implants. The surgical techniques that he has worked with and researched include the excimer laser technique for corneal surgery, intrastromal ring implants with femtosecond laser (INTRALASE) and ICL phakic lens implants. He is one of the world's most experienced surgeons in this type of implant surgery. He also has extensive experience in cataract surgery with small-incision phacoemulsification techniques and the implanting of diffractive lenses to correct presbyopia.

Professional activities

Doctor at the **ocular traumatology** medical centre of ASEPEYO – Barcelona
Ophthalmology Institute from 1996 until December 1998

Ophthalmologist at the **Ophthalmology Institute of Barcelona** from July 1998

Staff doctor in the Ophthalmology Department of **Germans Trias i Pujol Hospital** in Badalona from January 1999 to January 2000
