

Ana Nolla

Department of Optometry and Refraction, Instituto de Microcirugía Ocular (IMO).

Coordinator and lecturer in the Clinical Optometry Postgraduate Diploma of IMO, Institute of Ocular Microsurgery.

Curriculum Vitae

Education

Bachelor's degree in Optometry and Ophthalmic Dispensing. UPC, Department of Optometry and Ophthalmic Dispensing in Terrassa. UPC, February 1997.

Options studied during the degree course: Advanced contact lens practice, vision therapies, strabismus.

Specialisation

Optometry and Ophthalmic Dispensing.

Professional experience

Optician/optometrist. Optica Malleu, 1996.

Optometrist. Instituto de Microcirugía Ocular (IMO), since 2016.

Lecturer on the Postgraduate Course in Clinical Optometry organised by the Instituto de Microcirugía Ocular (IMO) and the Autonomous University of Barcelona, 2002-present.

Coordination of students on the Postgraduate Course in Clinical Optometry at the IMO, October 2014-present.

Teaching

Lectures:

- Preoperative assessment in corneal refractive surgery. Doctorate course. Valle Hebron University Hospital. Barcelona, January 1999.
- Measurement of contrast sensitivity in clinical trials. Verteporfin presentation. Venice, Italy. 1999.
- Refraction and subjective examination. Course on complementary examinations in ophthalmology for auxiliary staff. Madrid. 2000.
- Confocal microscopy and immersion biometry. Course on technological advances in ophthalmology. Barcelona. September 2001.
- Course on refractive surgery and glaucoma. Barcelona, 2002.
- Biometrics. UPC, Department of Optometry and Ophthalmic Dispensing in Terrassa. Barcelona, 2003.
- Biometrics. Ophthalmic auxiliary staff. Institut Químic de Sarrià. Barcelona, 2003.
- Contact lens complications. Course on contact lens fitting. IMO. Barcelona, 2004.
- Corneal topography. Course on new technologies in ophthalmology. IMO, Barcelona. 2011.
- Irregular corneas. Advanced Contact Lens Practice and Ocular Surface Conference. IMO, Barcelona, 2012. Speaker and coordinator.
- Importance of measuring visual acuity and refraction in eye disorders. Preceptorship, IMO, Barcelona. November 2012.
- Hess Lancaster screen. Assessment of paediatric and/or strabismic patients. IMO, Barcelona. 17 May 2014.
- Participant on a panel at FacOptom 2016 (FacoElche) - OPTOMETRIC MANAGEMENT IN PHOTOREFRACTIVE SURGERY. Panel 1: New developments in technology, devices and lenses. 5 February 2016.

Research

Certified optometrist. PhDT CIBA-VIP clinical trial. IMO, 1998-2003.

IMO
instituto de
microcirugía
ocular

Certified optometrist. PhDT CIBA–VER clinical trial. IMO, 2000-2003.

Optometrist. Intrarings Intacs. IMO, 2000.

Coordinator of an implantable miniature telescope clinical trial. VisionCare Ophthalmic Technologies. IMO, 2001.

Coordinator of a clinical trial on the safety and efficacy of anecortave acetate for the treatment of high IOP caused by steroids (07 1004-24). IMO, 2008.

Certified optometrist. Allergan clinical trial (protocol no. AGN 206207-024). IMO, 2012-2014.

Coordinator of an Ophthothech clinical trial (OPH1004). October 2014-June 2016.

Coordinator of a Bayer clinical trial (Aqua 17850) and (Azure 16598). 2015-present.

Collaboration and cooperation

Volunteer optometrist on an Eyes of the World Foundation project which involved teaching students at a nursing school in Western Sahara. Western Sahara, 2002.

Volunteer optometrist at Open Your Eyes Foundation events in Barcelona in 2011 and 2012.

Optometric screening at Baldomer Solà School and Josep Boada School in Badalona. IMO Foundation-La Caixa Foundation, 2012-2016.

Language proficiency

English: advanced level.

French: intermediate level.

Further training

IMO
instituto de
microcirugía
ocular

Course on advanced contact lens practice, RPG. Bausch & Lomb-Conoptica, March 1998.

Course on refractive surgery. Bausch & Lomb.

Course on patient care. EADA. Collbató, November 1999.

JCAHPO Annual Continuing Education Program: Keratoconus, Penetrating Keratoplasty and Contact Lens. Recognition of Pupil Abnormalities by Ophthalmic Medical Personnel. Assessment of Vision in Preliterare Children. JCAHPO Conference, Orlando, USA. October 1999.

Complementary examinations in ophthalmology for auxiliary staff, Madrid, 2000.

Advanced course on clinical and surgical optometry. Instituto Oftalmológico Grimaldi, November 2001.

Wavefront technology. Personalised treatment in refractive surgery. Bausch & Lomb Surgical, October 2002.

JCAHPO Annual Continuing Education Program: Biometry IOL Power Calculation in Eyes That Underwent Refractive Surgery. Approach to the patient with Diplopia. JCAHPO Conference, Las Vegas, USA. October 2006

International Optometry and Contact Lens Practice Conference, OC-12. Valencia, March 2012.

Course on health science research methodologies. Girtual. Online course. February-April 2015.
