microcirugía
ocular

Sales assistant at Óptica 2000 (Diagonal Mar). Barcelona, 2004-2005.

Teaching

Panel communication (co-author): 'Study and non-surgical alternatives for irregular corneas post refractive surgery by multidisciplinary teams.' 17th edition of the SECOIR Ophthalmic Nursing Conference. Organised by SEEOF. Malaga. September 2016.

Lecture: 'Seven: OCT, retinography, autofluorescence, fluorescein angiography, indocyanine green angiography, angioOCT, en-face OCT'. 4th edition of the Posterior Pole Ophthalmic Nursing Conference entitled 'Back to the Future'. Instituto Universitario Fernández-Vega, Oviedo. February 2016.

Lecture: 'Residual refractive error after ophthalmic surgery' at the 3rd edition of the SECOIR-E Ophthalmic Nursing Conference. Barcelona. May 2015.

Member of the organising committee of the 1st edition of the SECOIR Ophthalmic Nursing Conference, organised by SEEOF, May 2013

Lecture: 'Corneal pathology: Descemet membrane endothelial keratoplasty (DMEK) results' at the 1st edition of the SECOIR Ophthalmic Nursing Conference. Organised by SEEOF, May 2013.

Lecture: 'Ophthalmic examination: diagnosis by image' at the 11th edition of the Spanish Society of Ophthalmic Nursing (SEEOF) Conference. 'Ophthalmic nursing 3.0: Improving care', September 2012.

Lecture: 'Evolution of ophthalmic examination' at the New Technologies in Ophthalmology Conference. IMO. Barcelona, May 2011.

Publications

Co-author of 'Guía de práctica clínica sobre la atención del glaucoma de ángulo abierto'. SNS clinical practice guides. Catalanian Agency for Healthcare Quality and Assessment(AQuAS).

http://aguas.gencat.cat/es/projectes/mes_projectes/guies_eines_decisions/gpc_glaucoma/. In progress.

Publication of the article 'Angiografía' in the book "Tratado de enfermería oftalmológica", coordinated by Enrique Cosme and SEEOF. September 2011.

Research

- Anecortave: Trial on the safety and efficacy of anecortave acetate for the treatment of high IOP induced by steroids. Alcon. Technician/photographer
- NeoVista Cabernet: Technician/photographer.
- Fovista: Phase III, controlled, randomised, double-blind trial to establish the safety and efficacy of intravitreal administration of Fovista™ (anti-PDGF-B pegylated aptamer) administered in combination with Avastin® or Eylea® compared to Avastin® or Eylea® monotherapy in subjects with subfoveal neovascular age-related macular degeneration. Technician/photographer
- Spectri: Phase III, multicentre, randomised, double-blind, sham-controlled trial to assess the efficacy and safety of lampalizumab administered by intravitreal injection to patients with geographic atrophy secondary to age-related macular degeneration. Technician/photographer
- Neuton: Phase IV trial to assess the efficacy of aflibercept in naïve patients with macular oedema secondary to central retinal vein occlusion (CRVO) on an individualised treat-and-extend (TAE) treatment regimen. Technician/photographer
- Premed: Phase IV prevention of macular oedema in cataract surgery. PREMED. Non-commercial research. Technician/photographer
- PRGF-Endoret: Randomised, parallel-group, multicentre, blind to evaluators clinical trial to assess the efficacy and safety of PRGF-Endoret eye drops in patients with stage 2 and 3 neurotrophic keratitis. Nurse.

Associations

Member of the Ophthalmic Photographers' Society (OPS).

Member of the Spanish Ophthalmic Nursing Society (SEEOF).

Awards and recognition

Third place in the Slit Lamp category of the ASCRS Ophthalmic Photography Exhibit 2011, organised by the Ophthalmic Photographers' Society (OPS).

Honourable mention in the Fundus Photography +45° category of the ASCRS Ophthalmic Photography Exhibit 2011, organised by the Ophthalmic Photographers' Society (OPS).

Further training

Attendee on a slit lamp photography course, Terrassa, April 2007.

Attendee on a practical course concerning confocal tomography for glaucoma with HRT3, Barcelona, November 2007.

Attendee at the American Society of Cataract and Refractive Surgery/American Society of Ophthalmic Administrators (ASCRS/ASOA) Conference, San Francisco, 2009.

Attendee on a course concerning the evolution of ophthalmic examination. Speaker at the New Technologies in Ophthalmology Conference. IMO. Barcelona. May 2011.

Attendee at the 12th edition of the Spanish Ophthalmic Nursing Society Conference entitled 'Ophthalmic Nursing 3.0: Improving care.' Organised by SEEOF, September 2012 (0.9 credits).

Attendee at the 1st edition of the SECOIR Ophthalmic Nursing Conference. SEEOF, May 2013 (1.6 credits)

Attendee at the 3rd edition of the SECOIR Ophthalmic Nursing Conference. SEEOF, May 2013 (1.6 credits)

Attendee on an assessment of paediatric and/or strabismic patients course. IMO, Barcelona, May 2014 (1.2 credits)

Attendee at the 14th edition of the Ophthalmic Nursing Conference entitled 'Much to See', SEEOF. Bilbao, October 2014 (1.6 credits)

Attendee at the 3rd edition of the SECOIR-E Ophthalmic Nursing Conference, SEEOF. Barcelona, May 2015.
